## ABOUT THE INVENTORY SHEET.

- Every item will have a Sku#.
- Similar items at the same price will be assigned the same Sku# by the gallery. This is used to record the sale on the new Square Register.
- You **may** assign your merchandise (jewelry, 3D pieces...) **an Artists Item #**.
- **Artists Item number is optional**, and a space is provided so you may keep track of your inventory
- Fill out the description and your optional **Artist Item** number on the inventory sheet. Leave an empty line under the description equal to the number like items. This will allow us to note each item that sells.
- You must attach a TAG (not provided) to each piece of merchandise, showing the item number or description that corresponds to that merchandise. When it sells, we will record or attach that tag to the back of our copy of the Square Register Receipt. If you want to know exactly which piece (of multiple like pieces) have sold, please add your item number to the tag. This is mainly done for jewelry items.
- If you do not want to use an item number for each piece of same priced merchandise such as greeting cards, then note item as "cards" on the inventory sheet and the quantity.

Item numbers are not necessary on 2D artwork

An item number must be attached to the back of each card and sleeved print

Please make a copy of your inventory sheet for your records.

There will no longer be a handwritten receipt for merchandise sales.

There will no longer be a Daily Transaction Sheet

Gallery attendants will not record sales on the artist's inventory. This will be done internally.

- **YOU MUST USE THE LVAG GALLERY INVENTORY SHEET. IF YOU HAVE ANY QUESTIONS OR CONCERNS - PLEASE CONTACT BY EMAIL: [Lvagintaketeam@gmail.com](mailto:Lvagintaketeam@gmail.com)**
