5. COMMISSION & PAYMENTS

A commission of 20% will be applied to items over \$50 that sell, 10% goes towards maintaining the LVAG Gallery and 10% to the Gallery Attendant. IF YOU VOLUNTEER, yes, YOU make a 10% sales commission for selling others artwork in the gallery!

No commission is charged on items under \$50.00. Only individual items priced over 50.00 qualify for commission. A combination of multiple items that are priced under \$50.00 (that would total a sum greater than \$50.00) does not qualify. Example: Three pieces priced at \$20.00 each do not qualify for commission.

Payments:

Payments for sales of the artwork will be made up to and within 30 days of the last date of the exhibition. No exceptions. If you wish to have your check made out differently than your name (business name or aka) please indicate that on the intake form.

6. INVENTORY FORM INFORMATION

Barcodes & Artist Item Numbers:

- **Every item** will have a Barcode SKU#.
- The bar-code will be assigned to the artist's name.
- When scanned, the gallery attendant enters the correct price. Please make sure prices are **readable**.
- **The price of the item most not exceed \$5,000. Members may list pieces as not for sale, by writing "NFS" in the price box of the Inventory Form.**
- You **must** attach a TAG (not provided) to each piece of merchandise, showing the item number or description that corresponds to that merchandise. When it sells, we will record or attach that tag to the back of our copy of the Square Register Receipt.
- You may assign your merchandise your own **Artists Item #** for your own tracking purposes, but LVAG will always make a new Barcode SKU#.
- An item number **must** be attached to the back of each card and sleeved print.
- You **must** use the LVAG Gallery Inventory Form. If you have any questions or concerns, please contact us by email: Lvagintaketeam@gmail.com

Selling multiple similar items:

- Artists Item number is optional, and a space is provided so you may keep track of your inventory.
- Fill out the description or Item number on the inventory sheet. Leave an empty line under the description equal to the number of items. This will allow us to note each item that sells. If you want to know exactly which piece (of multiple like pieces) has sold, please add your item number to the tag.
- If you do not want to use an item number for each piece of merchandise, then note one item number on the inventory sheet and the quantity.

Barcode System:

After completing and submitting their Inventory Sheets to the Intake Team, each and every artist will have their own individual barcode number. That number has been set at a variable rate for pricing. The price of each item will be rung up by the gallery attendant using the price clearly marked on the art item. In order to input the correct price for an item, each item must be marked with the correct price by the artist. If you have any old barcodes or old different prices or price tickets, please remove them from your artwork. We are going to identify what was sold by the price.

An example would be if you have 3 paintings, put a different price on each one. So, if they are of a similar value, one could be \$325.00; one could be \$330.00; and one could be \$335.00. This information is marked on your submitted inventory sheet with the name of your painting. You will then be able to identify what sold by the price point.

At Intake we will give you extra barcodes. When you sell an item, please email lvagintaketeam@gmail.com and let us know what you are bringing in to replace what was sold. The Intake Team will manually adjust your inventory sheet. Stick the barcode on the replacement artwork and take it to the Guild. It is a simple process and no waiting for someone to give you a bar code number. But you **MUST** email the Intake Team to let us know what you are bringing to the Guild. Also please remember that you cannot change the prices of your items in the exhibit during the exhibit. Any prices changes can happen at the next intake.

LVAG Membership:

You must be a LVAG member to show your artwork in the LVAG Gallery. Members must be 18 years of age or older to join.

Only artwork created by LVAG artists will be accepted.

All artists who participate in collaborative works **must be members** of the LVAG, and all artists who work on a piece of art **must be credited on the artwork ID** card.
